

The Herald and News.

A Delightful Time.

There were quite a number of veterans from Newberry who attended the annual reunion at Greenville last week, all of whom were delighted with their trip, reporting a pleasant time with their old comrades.

Just Look At Her.

Whence came that sprightly step, faultless skin, rich, rosy complexion, smiling face. She looks good, feels good. Here's her secret. She uses Dr. King's New Life Pills. Result, all organs active, digestion good, no headaches, no chance for "blues." Try them yourself. Only 25c at all druggists.

Death of an Infant.

The infant child of Prof. and Mrs. H. B. Dominick, died at the home of Mrs. Fulmer, in this city on Thursday last. The remains of the little one were buried on Friday at Piney Woods Church.

Shatters all Records.

Twice in hospital, F. A. Gullledge, Verbena, Ala., paid a vast sum to doctors to cure a severe case of piles, causing 24 tumors. When all failed, Bucklen's Arnica Salve soon cured him. Subdues inflammation, conquers Aches, kills Pains. Best salve in the world. 25c at all druggists.

Spreading Out.

Minnaugh has carpenters at work putting up new shelving in his already spacious establishment, which he expects to have jammed with goods—every available space being used between floor and ceiling. In a few days he will begin his annual odds and ends sale which will give the public opportunities to get bargains unheard of before. Watch Minnaugh's space.

A Necessary Precaution.

Don't neglect a cold. It is worse than unpleasant. It is dangerous. By using One Minute Cough Cure you can cure it at once. Always inflammation, clears the head, soothes and strengthens the mucous membrane. Cures coughs, croup, throat and lung troubles. Absolutely safe. Acts immediately. Children like it. W. E. Pelham & Son.

Newberry's First Sale.

Mr. J. J. Lane again has the honor of selling the first bale of new cotton in this county this season. Mr. Lane is a hustler and seldom gets left. He marketed his bale yesterday afternoon. It was classed as strict middling and was sold to Summer Bros., for 81-2 cts. The bale weighed 535 pounds. He also sold the seed to Summer Bros., at 20c. per bushel, realizing something over \$50 for cotton and seed. We congratulate Mr. Lane.

It Needs a Tonic.

There are times when your liver needs a tonic. Don't give purgatives that gripe and weaken. DeWitt's Little Early Riser's expel all poison from the system and act as tonic to the liver. W. Scott, 531 Highland ave., Milton, Pa., says: "I have carried DeWitt's Little Early Riser with me for several years and would not be without them." Small and easy to take. Purely vegetable. They never gripe or distress. W. E. Pelham & Son.

Geo. Johnstone a Winner.

It is generally predicted by the knowing ones that Col. George Johnstone will certainly be in the second race for the Senate. The statesman from Newberry is making friends and votes all over the State, and as things look now he will win the blue ribbon in the race. And he will wear it with honor to himself and his State. If you want to pick a winner, Johnstone is the man.—Sumter Herald, 8th.

Look Pleasant, Please.

Photographer C. C. Harlan, of Eaton, O., can do so now, though for years he couldn't because he suffered untold agony from the worst form of indigestion. All physicians and medicines failed to help him till he tried Electric Bitters, which he used such wonders for him that he declares they are a god-send to sufferers from dyspepsia and stomach troubles. Unrivaled for diseases of the Stomach, Liver and Kidneys, they build up and give new life to the whole system. Try them. Only 50c. Guaranteed by all druggists.

Excursion Rates.

The Atlantic Coast Line Railroad is offering cheap excursion rates to the seashore and mountain resorts of the Carolinas and Virginia for August 20th. In addition to the special low rates, they will operate through Pullman sleepers from Jacksonville, Fla., to Norfolk, Va., leaving former point at 9.00 a. m. These rates and schedules will offer excellent opportunity for parties desiring to make a business trip or to take a vacation at a very little cost and receive benefit of all modern conveniences, which includes the very best dining car service.

'I Never Know Pain Killer to Fail before, what can the matter be? Where is the bottle? There, I thought so; it is not Perry Davis' Painkiller at all, but something the druggist must have made himself and I did not notice it; I have used Painkiller for years for diarrhoea, cramps and stomach aches and it never failed.'

The West End Entertainment.

The entertainment at the Old Chapel in West End Saturday afternoon and evening was a success. The barbecue was a good one, and the promoters made a success of it. The entertainment in the chapel, consisting of comedy sketches, was largely attended, and the acting far above that of the average amateur.

The political end was also by no means a failure. The candidates were there, and each one had friends in the crowd, that is if one is to judge from the cheering. Several made speeches and discussed the issues of the campaign.

It was altogether a very pleasant meeting.

All Were Saved.

"For years I suffered such untold misery from Brouchitis," writes J. H. Johnston of Broughton, Ga., "that often I was unable to work. Then, when everything else failed, I was wholly cured by Dr. King's New Discovery for Consumption. My wife suffered intensely from Asthma, till it cured her, and all our experience goes to show it is the best croup medicine in the world." A trial will convince you it's unrivaled for Throat and Lung diseases. Guaranteed bottles 50c and \$1.00. Trial bottles free at all druggists.

The County Board of Control met on Saturday for the purpose of holding their annual election for dispensers at Newberry and Prosperity, and a clerk for the Newberry dispensary.

Dispenser Mayer, of Newberry, had no opposition, and of course was re-elected, which is a high compliment to Mr. Mayer.

There were several applicants for clerk and T. L. B. Epps was the successful man, and Saturday afternoon was receiving the congratulations of his friends. Mr. Will Thomas, the retiring clerk, has made a good one as far as we know, but the board had to make a decision and it was in favor of Mr. Epps.

Mr. Lester Bedenbaugh was re-elected dispenser at Prosperity.

Mayor Klettner Declines.

To my Friends and Fellow Citizens:

While I fully recognize and highly appreciate the honor of being mayor of Newberry, S. C., especially the distinction of seeing my name again placed for the third time in nomination for this high and honorable position, and while I am under many many obligations to my friends and fellow citizens, as well as to every officer of the present town and county administration, who have so loyally stood by me during my term of office. I feel, however, that I cannot conscientiously stand for re-election, having said to my friends last year, when I consented to run, that I would not be a candidate for said office this year. Considering my word my bond, I hereby respectfully, but positively decline to stand for re-election. Thanking every one for all kind consideration extended to me, and assuring you that I shall ever remember and hold forever dear to memory the citizens of Newberry, S. C.

I remain yours under obligation,

OTTO KLETTNER.

His Sight Threatened.

"While picnicking last month my 11-year-old boy was poisoned by some weed or plant," says W. H. Dibble, of Sioux City, Ia. "He rubbed the poison off his hands into his eyes and for awhile we were afraid he would lose his sight. Finally a neighbor recommended DeWitt's Witch Hazel Salve. The first application helped him and in a few days he was as well as ever." For skin diseases, cuts, burns, scalds, wounds, insect bites, DeWitt's Witch Hazel Salve is sure cure. Relieves piles at once. Beware of counterfeits. W. E. Pelham & Son.

Last Friday we attended the Sunday-school picnic at Mt. Pilgrim church.

Mr. J. W. Hartman, the able superintendent of the Sunday-school, had made every arrangement for a pleasant occasion and the large audience was not disappointed by any means. At 10 o'clock the people assembled in the church and the exercises were opened with prayer by Mr. W. W. Hodges, and after a few sweet pieces of music by the school, interesting Sunday-school addresses were made by Prof. E. O. Counts, Mr. Jno. C. Goggans and Mr. F. W. Higgins. The benediction was then pronounced by Rev. W. W. McMorris and the exercises were closed for the day. The next thing then was dinner, and after the table was filled with good eatables, just such things as the ladies of the community know how to prepare for such occasions, the large audience was invited to come and partake, and plenty was left. The afternoon was spent in various ways of pleasure and the day will long be remembered by all present. Sigma.

Brain-Food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get this reliable remedy at

L. Powell and W. K. Sligh, Newberry; and Earle Sloan, Charleston.—The State, 10th.

To My Friends.

It is with joy I tell you what Kodol did for me. I was troubled with my stomach for several months. Upon being advised to use Kodol, I did so, and words cannot tell the good it has done me. A neighbor had dyspepsia so that he had tried most everything. I told him to use Kodol. Words of gratitude have come to me from him because I recommended it to—Geo. W. Fry, Viola, Iowa. Health and strength, of mind and body, depend on the stomach, and normal activity of the digestive organs. Kodol, the great reconstructive tonic, cures all stomach and bowel troubles, indigestion, dyspepsia. Kodol digests any good food you eat. Take a dose after meals. W. E. Pelham & Son.
